SERVING CAMPUSES-COACHES-COMMUNITIES-CAMPS

AUGUST 2015

FCA's MISSION: To present to athletes and coaches and all whom they influence, the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the church.

Football snapped, volleyballs spiked, tennis balls served, soccer balls kicked, courses run, golf balls putted, all with one common supreme goal in mind - to go undefeated. Going for the perfect record is what all the coaches and athletes are training and sweating for at the start of another school year. And Undefeated is the theme for the Fellowship of Christian Athletes for 2015. 1 Corinthians 15:57 is our key verse in the Bible: "But thanks be to God! He gives us the victory through our Lord Jesus Christ." Unlike sports teams, we can never achieve a perfect record, since we are prone to making bad choices, selfish choices, sinful choices that separate us from God. But fortunately, our heavenly Father sent His Son Jesus to pay the ultimate penalty for these choices because of His love for us. So when we surrender our lives to Him, putting our faith and trust in Him, we can experience new life and receive "victory through our Lord Jesus Christ." It is our hope that you will find and execute God's game plan for your life this year and that you too will go Undefeated.

“School is back in session, and this year FCA plans to make a major impact in our school systems. Half of our schools have active huddles and we do have a goal and plan set to have a huddle in all of our schools in the near future. As part of FCA staff, I will work and do the absolute best that I can to follow God’s plan for Southeast Indiana FCA. It is very encouraging walking into the schools we are active in, and seeing the passion that the student leaders have. I can’t wait to see what God will do in this area in the 2015-16 school year!”

“After being the Silver Creek HS FCA huddle coach for 23 years, it is an honor to begin serving other schools in Clark and Floyd counties as a new FCA staff member. I look forward to working with Donnie and the board to help athletes and coaches to share Jesus Christ with their campuses and to grow in their relationships with Him. We greatly appreciate your prayers in this endeavor. And if you would like to help some way as a volunteer in this ministry, please don't hesitate to contact either one of us.

FCA Camp Report

This year’s Southern Indiana FCA Leadership Camp was another great success. Over 60 students and 20 adult leaders gathered at Spring Mill State Park from all around the southern third of the state to share in training, competitions, worship, food and new-found friends. In the large group meetings,

students were challenged by four different speakers to lead from an Undefeated perspective. In the small huddle settings, they discussed what it means to have victory over pride, lies, fear and doubt. The Holy Spirit was moving and active in the lives of the students. Two students made a commitment to give their lives to Christ and be baptized.
